For Amazon We Pay collections only : The Amazon vendor (the Consignor) must take photographic evidence of any pallets the driver refuses to load due to non-compliance if the Consignor does not agree with the driver's decision. Email the photographs to upsamazon@ups.com whilst the driver is still present at the collection point. A driver's signature is for a confirmed number of pallets only where loading has been clearly visible for the driver at all times. Annotate the collection paperwork in conjunction with the driver and pass a copy to the driver if the number of loaded pallets differs from the printed collection paperwork. At all times, it is the Amazon vendor (Consignor)'s sole responsibility for all consignments to be fully compliant with the Amazon vendor manual.
